"E-business Systems", Fall 2019
SHOP PERIOD: 12/11/19 and 12/12/19

Submit the web address of your own e-business system at: http://cs.newpaltz.edu/~phamh/aeb/CompanyLinks/AddLink.htm
The directory (list of web addresses of all companies/teams in our class is at: http://cs.newpaltz.edu/~phamh/aeb/CompanyLinks/TeamLinks

- On 12/11 please go to Blackboard to see your shopping list of the team IDs (exp: 1,2,3,4,5,6,7,8,9) you'll need to make purchases from.
- On each of the two given days: you should make at least one purchase from the companies/teams listed above at blackboard. **One of your orders must be via WEB and one must be made via API**. Remember to indicate the type (WEB or API) of your order in the last column in the Shopping Record.
- You should start with the banks first (open an account, get a loan if needed) so that you can use the bank accounts to make other purchases.
- In each shopping order: make sure you order at least two different products/services and so that at least one of them has 2 or more quantity.
- In the shopping record: put the orders of the same company together (see examples below).
- You can use this file as a template, add more rows and fill them in, then submit this file (see the project notes for deadline & submission link)
